

IMPROVE YOUR HOME WITH AN INTEREST FREE LOAN OF UP TO £15,000

There are lots of ways you could make your home warmer and more energy efficient with an interest free, unsecured loan of up to £15,000*. Available through Home Energy Scotland from the Scottish Government your loan can let you spread the cost of a wide variety of measures including boilers, insulation and triple/double glazing.

Loans are available to owner occupiers and registered private sector landlords in Scotland. **An interest free loan means you can spread the cost without paying more than you need to.**

*Successful loans will be subject to an administration fee.

The Energy Saving Trust is an impartial organisation and does not recommend or endorse any particular installer. Certain measures require a certified installer.
