

HIS 2010/11 areas phase 2.2

HIS phase 2.2 door knocking started in all 13 local authority areas in November; Argyll and Bute, Clackmannanshire, Dumfries and Galloway, East Ayrshire, East Dunbartonshire, East Renfrewshire, Falkirk, Midlothian, Moray, Perth and Kinross, Renfrewshire (Paisley North), West Dunbartonshire, West Lothian.

Installations began in December and all HIS installs have now been completed. The outcomes reported are based on data from installers.

In addition to the areas selected for door knocking, the Home Insulation Scheme offer was extended to 29,000 more properties in Dumfries and Galloway. These households were mailed at the beginning of February 2011 with details of the offer. Outcomes for this extension are shown separately in the table below.
